Publishing Statistical Considerations in Pilot Studies

Presented by:
Matthew Gurka, MD

November 4, 2021 | 12:00 PM- 1:00 PM
Zoom Meeting

LEARNING OBJECTIVES:

Upon completion of this activity, participants should be able to:

- Understand fundamental design considerations for pilot studies
- Describe typical outcomes of pilot studies and how they differ from larger studies
- Explain sample size considerations for pilot studies

Disclosure

Speaker and planning committee have nothing to disclose:

Matthew Gurka, MD has disclosed that he has no relevant financial relationships. No one else in a position to control content has any financial relationships to disclose. Conflict of interest information for the CME Advisory Committee members can be found on the following website: <https://cme.ufl.edu/disclosure/>. All relevant financial relationships have been mitigated.
